

ANTREVILLE.

COLD SPRING NEWS.

Antreville, May 20.—The trustees and patrons of the Antreville High School, met several days ago and elected the following teachers for another year: Principal, Mr. Joe Anderson; Higher Intermediate Department, Miss Winton Keaton; Intermediate, Miss Margaret Bradley; Primary, Mrs. W. J. Bowen; Music, Miss Susie Stevenson.

We feel sure with this corps of teachers we will have a successful year.

The people of Antreville had the pleasure of hearing, on last Sunday, afternoon, Prof. A. M. DuPre, of Spartanburg, who spoke on the Centenary movement. He presented it in a way in which all could understand what it truly meant. And after this good lecture all were willing to contribute to the movement.

Lieut. Frank and Corp. Joe Anderson have returned from overseas and are at home again, much to the delight of all. They have done well their part toward making the world safe for democracy, for "where duty called, they followed on."

Mr. Frank Clinkscales, Mr. and Mrs. George Anderson and son of Clemson College, Mr. and Mrs. T. B. Anderson and family, and Miss Sara Lipscomb of Ninety-Six, spent Sunday with Dr. and Mrs. J. A. Anderson, seeing the boys who had just returned from France.

Miss Beth Anderson returned with Mr. and Mrs. George Anderson Sunday afternoon, and will spend some time with them.

Mr. and Mrs. Frank Suber and children, and Mr. Elmore Suber of Piedmont, spent Sunday with Mr. and Mrs. C. A. Suber and family. Mrs. Will Bell returned home with them.

Mr. and Mrs. S. J. Wakefield and little daughter, Amanda, spent the week-end at Latimer with Mr. and Mrs. Hawthorne.

Mrs. Robt. Mabry, and son of Abbeville, are visiting Mr. and Mrs. Harris Wakefield.

Misses Genevieve Anderson and Althea Keaton, of Lander College, spent the week-end with home folks. (These young ladies hadn't been home for sometime and all were delighted to see them.)

Mrs. W. J. Bowen and daughter, Harriet, spent several days last week with the former's parents, Mr. and Mrs. J. R. Pennell, of Belton.

The country is an ideal place now when you see the wheat waving in the fields, the Irish potatoes, the cabbage, lettuce, beets, peas, beans, onions, corn, all growing and the chickens running around in the yard. You may know that the table will be well spread later on, as well as now.

We are very glad to know that Abbeville is putting on new life and will soon have many new buildings, which will be for the welfare of all in the county and we are willing to do "Our part" toward helping her in any way. We are so glad we'll soon be able to ride over paved streets. Abbeville is our home town, and we will ever do our part toward numbering her with "The Best."

Cold Springs, May 21.—Mr. and Mrs. C. C. Kay and children spent Sunday with the latter's parents, Mr. and Mrs. T. F. Uldrick.

Mrs. B. Moss and son, Thomas, spent Sunday with Mrs. F. E. Hagen. Messrs. Horace King and Tom Osborn spent Saturday night with Mr. Dickie Ellis.

Miss Addie Lathan, of Iva, S. C., spent the week-end with Miss Eunice Uldrick.

Mrs. Andrew Newell spent a few days this week with her mother, Mrs. N. P. Milford, who is on the sick list.

Mr. and Mrs. R. A. Hagen spent Wednesday of last week at Mr. T. F. Uldrick's.

Miss Ola Winn spent a few days last week in Abbeville with Rev. and Mrs. H. D. Corbett.

Private Arthur Newell surprised his many friends by returning home on Sunday. He has seen service overseas for some time and everybody was glad to see him home looking so well.

Miss Bessie Winn spent Saturday night with Misses Eunice and Ruth Uldrick.

BETHIA NEWS.

Bethia, May 20.—Mrs. Jim Link and daughter, Mrs. Lucile Evans, went to Anderson Monday on a shopping trip.

Another fine boy arrived May 17, in the home of Mr. and Mrs. Norman Cason.

Mr. D. J. Jenkins spent Saturday night with his mother-in-law, Mrs. M. E. Beauford.

The Bethia and Bold Branch schools are going to have a picnic May 31. The Ladies Society is going to sell ice cream. Every one is urged to attend with well filled baskets.

Mrs. M. E. Beauford spent last Thursday night in Greenwood with her friend, Mrs. J. W. Canfield.

Bethia has decided to have preaching twice a month, the first Sabbath in the afternoon, the third Sabbath in the morning.

Mr. and Mrs. Henry McNeil's baby boy has been quite sick, but it is now some better.

Dr. Hunter is improving slowly. It is hoped that he may soon be restored in health and back to his vacant place in the Sabbath school.

Miss Maud Pettigrew who has been teaching in the lower part of the state, came home yesterday afternoon.

S. C. SCHOOLS FOR SAVINGS MOVEMENT

With the aim to establish "A War Savings' Society in Every Class Room" in South Carolina, public school instructors throughout the state have placed their united support behind the government's nationwide Thrift Movement.

John E. Swearingen, State Superintendent of Education and members of the Fifth Federal Reserve Dis-

trict Educational committee have sent an appeal to all teachers to cooperate in making the campaign a success, both by their own efforts and by enlisting the interest and participation of their students.

"Our victory endeavors should not fall below the standard of our war efforts" his letter reads. "Every every school and every teacher should take an active part in the Savings campaign. No better lessons in history, in patriotism or in thrift can be given your pupils, because these activities are among the fundamental and far reaching movements of the world today.

"The South Carolina boys who belong to the Thirtieth division and who helped to break the Hindenburg line are now returning home. They have earned and should be given the heartiest welcome. Such a welcome is best indicated by a prompt and full response from every child and from every grown up in this Thrift campaign."

Within a week's time, it is anticipated, teachers throughout the state will have reported to State Superintendent Swearingen an outline of the Thrift activities to be conducted by themselves and their classes, giving approximately the number of Savings' societies that will be organized in the public schools.

GETS TRIP TO ATLANTA.

Henry Culbreth, the bright and successful agent for the Atlanta Journal, has received his invitation to the big celebration to be held in Atlanta on the 4th of July. The trip is a free one to the Journal Club, the Journal bearing all expenses. A big barbecue dinner is promised and the afternoon will be given automobile and trolley rides around the big city.

Henry is expecting big sights. He says he is going to do away with his tiresome red road cart, which would have drawn the eye teeth of the strongest lion, and ride a brand new Black Beauty Booster, which will raise the dust and bring your paper before breakfast.

LIVER DIDN'T ACT DIGESTION WAS BAD

Says 65 year Old Kentucky Lady, Who Tells How She Was Relieved After a Few Doses of Black-Draught.

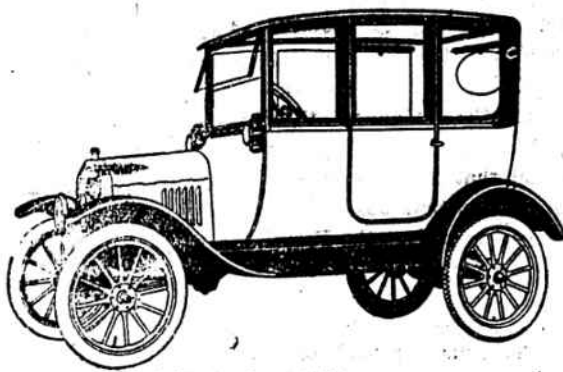

Meadersville, Ky.—Mrs. Cynthia Higginbotham, of this town, says: "At my age, which is 65, the liver does not act so well as when young. A few years ago, my stomach was all out of fix. I was constipated, my liver didn't act. My digestion was bad, and it took so little to upset me. My appetite was gone. I was very weak..."

I decided I would give Black-Draught a thorough trial as I knew it was highly recommended for this trouble. I began taking it. I felt better after a few doses. My appetite improved and I became stronger. My bowels acted naturally and the least trouble was soon righted with a few

doses of Black-Draught."

Seventy years of successful use has made Theodor's Black-Draught a standard, household remedy. Every member, of every family, at times, need the help that Black-Draught can give in cleansing the system and relieving the troubles that come from constipation, indigestion, lazy liver, etc. You cannot keep well unless your stomach, liver and bowels are in good working order. Keep them that way. Try Black-Draught. It acts promptly, gently and in a natural way. If you feel sluggish, take a dose tonight. You will feel fresh tomorrow. Price 25c. a package—One cent a dose. All druggists. J. 69

Ford
THE UNIVERSAL CAR

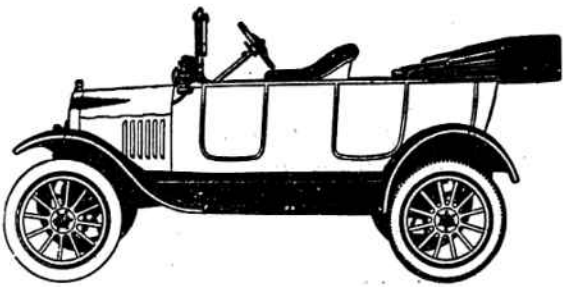

We are experienced and know how to give service to the owners of Ford cars. We have the same methods, machinery and skill that are in use in the Ford Factory.
